

Digital Services Act (EU DSA) Transparency Report

Period: February 17, 2024 – February 16, 2025

Published: 17.03.2025

Welcome to our European Union (EU) Transparency Report, where we publish EU specific information required by the Digital Services Act (DSA) for Yandex Metrica

1. The number of orders received from Member States' authorities including orders issued in accordance with Articles 9 and 10 of EU DSA: 0
2. The number of notices submitted in accordance with Article 16, categorised by the type of alleged illegal content concerned, the number of notices submitted by trusted flaggers, any action taken pursuant to the notices by differentiating whether the action was taken on the basis of the law or the terms and conditions of the provider, the number of notices processed by using automated means and the median time needed for taking the action: 0
3. Information about the content moderation, any use made of automated means for the purpose of content moderation: Yandex Metrica is provided as service mainly for organizations, and the content stored or transmitted by its users is not available from the public. Such content may also include confidential information. Due to the nature of our service, Yandex Metrica does not carry out any moderation on its own initiative.
4. The number of complaints received through the internal complaint-handling systems in accordance with the provider's terms and conditions: 0
